&&&

ORDER:

The State Government of Andhra Pradesh launched Nadu-Nedu program for revitalization of hospital and healthcare services across the State. The program enlists revamping of holistic healthcare infrastructure of the state including strengthening/up-gradation of primary & secondary health care and strengthening of 11 existing medical colleges, attached institutions, 5 new multi-specialty hospitals at 5 tribal areas, 16 new medical colleges with nursing colleges etc. within span of next 3 years.

2. In the reference 2nd read above, the Managing Director, Andhra Pradesh Medical Services & Infrastructure Development Corporation has informed that during the meeting held on 29.10.2020 on progress of Nadu- Nedu, a thorough discussion has taken place with pros and cons of calling of tenders individually or clubbing various scope of works together. To avoid interfacing, operational issues and to enable an integrated approach with single point of responsibility, the tendering strategy was directed to be revised. He has also informed that the Government communicated the Minutes of the Meeting wherein it was decided as under:

- One composite tender for medical college which shall consist of construction of buildings, procurement of furniture, supply, installation & commissioning of building equipment and minor equipment.

- The tender document should consist of annual maintenance including civil, building equipment such as Air conditioners, generators, OTs, lifts etc., minor equipment & furniture for a period of 7 years i.e the defect liability shall be for period of 2 years followed by 5 years of maintenance.

- The procurement of major equipment should be planned in such a way that there shall be smooth integration and installation of equipment within the building.

3. He has also informed that if the above mentioned conditions are to be considered, only one composite tender has to be called for Construction of Civil, Mechanical, Electrical, Plumbing (MEP) works, Procurement of Furniture, Supply, Installation and Commissioning of Minor Equipment with 2 years defect liability period and 5 years maintenance period and requested to issue orders in the matter.

4. The Government after careful examination of the matter, hereby accord permission to the Managing Director, Andhra Pradesh Medical Services & Infrastructure Development Corporation (APMSIDC), Mangalagiri, to call for tenders for one composite tender for Construction of Civil and Mechanical, Electrical & Plumbing (MEP) works, Procurement of Furniture, Supply, Installation & Commissioning of Minor Equipment with 2 years defect liability period and 5 years Maintenance period for construction of Medical Colleges and Teaching Hospitals in the State.

(P.T.O)

5. The Managing Director, Andhra Pradesh Medical Services & Infrastructure Development Corporation shall take further necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)
